

Appendix – EVALUATION

Provide evidence through program feedback that rationalizes changes to the program. Using Requirements: 1 Program structure, 2 Students’ attainment of competency, and 3 Adequacy of human resources – faculty and support staff, identify source of data, feedback (both positive and for improvement) and changes implemented in each area. Please insert rows if there are more than 3 items arising from a particular feedback mechanism.

Source of Data	Feedback	Changes Implemented
Course evaluations – students	1.	
	2.	
	3.
