Dear Ms. Coxe:

I am pleased to confirm that Brantford City Council at its meeting held October 27, 2020 adopted the following Proclamation:

Respiratory Therapy Week - October 25 – 31, 2020

WHEREAS the Canadian Society of Respiratory Therapists (CSRT) celebrates Respiratory Therapy Week annually; and

WHEREAS this year, more than ever, our communities are relying on respiratory therapists. As frontline workers, they have been tirelessly providing care to those infected by COVID-19. They have also played important roles behind the front lines: advising government, mobilizing supplies, designing pandemic ventilators to best function under the parameters of this new, highly contagious infection; and

WHEREAS during Respiratory Therapy Week, respiratory therapists engage in advocacy, promotion and celebratory activities in our community; and

WHEREAS, this celebration serves to educate the public about the varied roles and responsibilities of respiratory therapists and to raise awareness of the significant contributions they make across our healthcare system;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the City of Brantford proclaims October 25th to October 31st as Respiratory Therapy Week in the City of Brantford.

I trust this information is of assistance.

Yours truly,
