

## CANADIAN SOCIETY OF RESPIRATORY THERAPISTS

---

## SOCIÉTÉ CANADIENNE DES THÉRAPEUTES RESPIRATOIRES

**The following is a collection of resources to inform respiratory therapists and guide their practice during the Coronavirus disease 2019 (COVID-19) outbreak. / Voici une liste de ressources pour informer les thérapeutes respiratoires et guider leur pratique pendant l'épidémie de Coronavirus de 2019 (COVID-19).**

The information provided through the following sources is not intended to replace local policies and procedures, clinical guidelines or the clinical judgement of the health care provider. / Les informations fournies par le biais de ces sources n'ont pas pour vocation à remplacer les politiques et procédures locales, les lignes directrices cliniques, ni le jugement clinique du fournisseur de soins de santé.

(\*Veuillez noter que certaines de ces ressources ne sont disponibles qu'en anglais. La SCTR a fourni des liens vers des ressources en français là où elles existent.)

Updated February 2021 / Mise à jour février 2021

## Contents / Table des matières

Aerosol Therapy / L'administration des aérosols .....	3
Practical Strategies to Reduce Nosocomial Transmission to Healthcare Professionals Providing Respiratory Care to Patients with COVID-19 .....	3
Reducing Aerosol-Related Risk of Transmission in the Era of COVID-19: An Interim Guidance Endorsed by the International Society of Aerosols in Medicine.....	3
Airway Management / La gestion des voies aériennes .....	3
Anesthesia / L'Anesthésie.....	4
Chronic Disease Management (Asthma, COPD, Interstitial Lung Disease)/ Gestion des maladies chroniques (asthme, MPOC, maladie pulmonaire interstitielle) .....	5
Clinical Management / La gestion clinique .....	6
Daily Updates and Situation Reports / Mises à jour quotidiennes.....	8
General Information for Health Care Providers / Informations pour les professionnels de la santé.....	9
Infection Prevention and Control (including Personal Protective Equipment) / Les mesures de lutte contre l'infection (y compris l'équipement de protection individuelle).....	10
Long-Term Impact of COVID-19 Infection / Des effets à longs termes de l'infection .....	11
Links to Research Collections / Liens vers les recherches .....	11
Mental Health Resources to Support Health Care Workers / Soutien en santé mentale pour les professionnels de la santé .....	12
Online Courses / Cours en lignes .....	13
Pediatrics / la Pédiatrie .....	13
Polysomnography and Pulmonary Function Testing / Polysomnographie et les tests de la fonction pulmonaire.....	14
Pregnancy and Breastfeeding, Delivery Room / La grossesse et l'allaitement, salle accouchement.....	15
Primary Care / Soins primaires .....	16
Respiratory Therapy Regulatory Colleges and Provincial Associations / Organismes de réglementation et associations provinciaux de thérapie respiratoire.....	19
Substance Use, Tobacco Use and COVID-19 / Consommation des substances, tabagisme .....	20
Trackers of COVID-19 Cases and other Digital Tools / Trackers global des cas et autres outils numériques .....	20
Using Anesthesia Machines as Ventilators / L'utilisation d'appareils d'anesthésie comme ventilateurs ..	21
Using One Ventilator for Multiple Patients / L'Utilisation d'un ventilateur pour plusieurs patients.....	21
Vaccine Information and Resources / informations et ressources sur les vaccins .....	21
Other Information and Resources / Autres informations et ressources .....	22
