DIDACTIC PROGRAM PERSONNEL TEMPLATE

(Self-Study, Part 2 Requirement D)

Please include all faculty who teach didactic courses that provide background knowledge relevant to attaining the competencies outlined in the NCP. This should include faculty who teach foundation courses (linked to the National Competency Profile) in programs that share a common year with other disciplines (E.g. basic sciences, communication, research)

Faculty	Academic Qualifications & Professional Designation	Responsibilities* and Course Assignments	Experience		Professional Development Activities
			# of Years Teaching	# of Years as Practicing RT	

*Refers to those responsibilities outside of teaching that are included in work load assignments and can include program coordination, clinical coordination, scheduling, etc.
