 PLI coverage is available **for purchase to new graduates** who are CSRT members, are eligible for restricted licenses in their province and have started working prior to passing the national exam. An unsuccessful attempt at the National Certification Exam or failure to complete the exam within 12 months of graduation will mean the Professional Liability Insurance will expire at the end of the CSRT insurance policy term and the new graduate will be ineligible for PLI until successfully passing the National Certification Exam.

During Your Clinical Year:
 The CSRT has negotiated free professional liability insurance coverage for students during their clinical year. To be eligible, the **student must work under the direct supervision of a respiratory therapist, who is a CSRT member covered by professional liability insurance.**
